Message from the Coordinator

I am the founder of the LLL SIG, and I hear that continuing an organization is more difficult than founding it. I would like to share the responsibility for our ongoing activities as the new coordinator of the LLL SIG.

One thing I really would like to do is have more face-to-face SIG meetings. In fact, we are planning to have a LLL mini-conference at Tokyo Keizai University next September, and I hope all those interested will be able to join us.

I would like to thank all members for supporting the LLL SIG.

Warm regards,

Tadashi Ishida
