

## **Coordinator's Message**

*Tadashi Ishida*

The Lifelong Language Learning (LLL) SIG is currently looking for a new membership chair and treasurer.

Participating in this way through the LLL SIG will give you better understanding of the SIG's activities, will allow you to meet new people, and will give you a chance to work as part of a team as well as take on related responsibilities.

We don't know what opportunities and encounters we will experience in our lives, but getting out there, meeting people, sharing your ideas, and listening to others can really lead to life-changing experiences. There is definitely much to be gained from becoming more involved with the LLL SIG.

The Lifelong Language Learning SIG needs you!

If you would like to join our team, please contact me at [papiontadashi@gmail.com](mailto:papiontadashi@gmail.com). Thank you.
